Press Release

remote control productions and dreamfab publish their iOS-Hits »Happy Hills« and »Demolition Dash« in cooperation with The9 in mainland China

rcp brings german mobile games with The9 to China

Munich/Regensburg, 24.07.2012 – German mobile games are now playable in China! remote control productions and Regensburg based publisher dreamfab today announced a cooperation with Chinese online and mobile publisher The9. The initial scope of the agreement includes the publication of the two Games »Happy Hills« and »Demolition Dash« for Android systems in mainland China.

»Happy Hills«, developed by Chimera Entertainment and released by dreamfab in 2011 for iOS systems and also available for Mac, Amazon Kindle and Android systems, is a physics-based puzzle game with »hilarious« and explosive arcade fun for everyone. Players have to eliminate nasty blocks from the Happy Hills' heads with a limited number of bombs. »Happy Hills« was nominated for the »German Computer Games Award 2012« in the category »Best Mobile Game«.

»Demolition Dash« is an action packed platformer released on iOS systems, Mac, Amazon Kindle and Android systems, developed by Chimera Entertainment. A playful and speedy monster called Zilla is on a destructive world tour, visiting such famous cities such as New York, Moscow and Tokyo. »Demolition Dash« won the »Best Handheld Game« Award at the »German Developers Award 2011«.

Chris Shen, VP of The9 & GM of the Mobile Business Unit: »We are very pleased to cooperate with rcp and Dreamfab to bring two such great games to the Chinese market. With The9s abundant experience and resources in the mobile gaming industry, we believe this partnership will surely lead both sides to a win-win situation in the near future.«

Andreas Mihalovits, CEO of dreamfab GmbH & Co. KG: »We are delighted to partner with rcp and The9, which will enable us to elevate the presence and success of our mobile games in China to a new level! «

Hendrik Lesser, CEO of remote control productions GmbH: »rcp partners with a competent and efficient partner for the Chinese market – The9. I'm sure this partnership will lead the mobile games of dreamfab and Chimera Entertainment in this growing market to success. I look forward to a beneficial and long-term cooperation with The9!«

About remote control productions GmbH

remote control productions GmbH is an independent, internationally active production house, with an emphasis on mediation, development and production of entertainment software. With its extensive experience and far-reaching contacts, remote control productions acts as an important interface between developers, publishers, distributors and investors. Along with the services in the central areas of expertise such as business development, producing, sales, creative services and research, remote control is increasing its focus on developing, planning and designing its own projects. Among those projects are creations of new IPs, as well as company founding and the support of start-up teams where remote control provides not just strategic advice, but carries out operational tasks in order to ensure success. The production house was founded in 2005. Partners and customers of rcp are ProSiebenSat.1 Digital, Bigpoint, Ubisoft, Ravensburger Digital, BummFilm, dtp Entertainment, Take2 (selection).
