Sky Sharks attack App-Stores

Munich / Brunswick, April 19, 2016

remote control productions secured the exclusive rights to develop the official game for the Nazizombiehorrorsharkploitation-movie Sky Sharks.

Having successfully completed the Kickstarter campaign for **Sky Sharks**, the Brunswick-based design and movie agency Marctropolis, managed by producer and director Marc Fehse, landed a huge hit: The crowdfunding-campaign was the first step to make the stylish masterpiece involving Nazis, zombies and flying, rocket-equipped sharks happen. Now, the huge amount of fans and supporters have even more reason to celebrate, as Munich-based company remote control productions GmbH is set to develop the game for the upcoming blockbuster. Just in time for the German cinema release, which is scheduled for the fourth quarter of 2017, players will have the opportunity to take on shark-riding Nazi-zombies with their own hands.

remote control closely follows the movie's lead in terms of game design. In cooperation with the entire **Sky Sharks**-team, one of remote control productions' numerous studios will be responsible for the game development.

Publisher inquiries are explicitly welcome. Further information will be announced in the near future.

About remote control productions:

remote control productions (rcp) is an independent production house focusing on development and production of games and gaming applications and leads Europe's major developer family. Since 2005 the Munich-based company is supporting, financing and coaching startups and development studios. rcp is also participating in projects in the areas of serious games, gamification, conferences, education and lobbying. rcp has partnered up with and become co-owners of multiple development studios; the ever-expanding network consists of a dozen studios with different fields of expertise like mobile games, browser games, serious games or gamification applications. Thanks to the internal network and additional partners nationally and internationally, rcp has established itself as a credible, efficient and reliable production partner on more than 50 projects for PC, mobile, browser and console. Our work for hire, publishing and licensing partners include Rovio Entertainment, Deep Silver/Fishlabs, Ubisoft, ProSiebenSat.1 Games, Tivola, Ravensburger Digital, Deutsche Telekom, Gamevil, RNTS Media, Chillingo, Volkswagen, spilgames, DeNA, Bigpoint, Intel, Audi and many more.
